

Thank you for your interest in participating in our own annual FellowShop event. This is 9 to 5 for Christ's only fundraising event of the year, and we make sure it is a fun event that women will look forward to every year. It is kind of like a holiday boutique, with vendor booths lining the perimeter of the room, but it is so much more! The ladies are treated to a lovely dinner, and they love the silent auction with many fabulous products and services on display. There are plenty of door prizes given throughout the evening, and who doesn't love to win a free gift?

Halfway through the evening, we stop to eat and hear a wonderful inspirational message as part of a short program. Then it is back to shopping and bidding on the auction items. The evening culminates at 8:15 when the bidding closes and winners can pay for their items and the final premier door prizes are awarded.

We are again holding the event before the holidays to capture all those eager Christmas shoppers. In order to maximize the experience for everyone, we are limiting the tables to vendors who have tangible goods to sell on site. We will have space for up to two vendors of any one category of item for sale (purses, jewelry, candles, etc). You will want to get your paid registration in ASAP in order to secure a spot.
